

UNITED STATES GOVERNMENT

Memorandum

TO : Members, Computer Security Subcommittee

DATE: 9 August 1976

FROM : Chairman, Computer Security Subcommittee

SUBJECT: Vote Sheet Action on Draft DCID 1/16

1. Request that you complete the attached vote sheet action and bring it to the Subcommittee Meeting for discussion on 20 August 1976. Please reproduce it and bring 15 copies to the Executive Secretary so that he can give a copy to each attendee for use in the discussion.

2. Please be specific in your comments, such that there will not be much, if any, clarification required. Comments should be on a line-in/line-out format with supporting rationale.

3. Since publication of a revised DCID 1/16 is important, I propose that we meet for half-day sessions on a daily basis for purposes of developing a final draft for official coordination at each Department/Agency by the Subcommittee members or their alternates. I propose that these daily work sessions commence on 23 August 1976.

4. I look forward to working with you or your alternate on the draft DCID 1/16. If you have any personal comments for me on this draft, you may contact me at [redacted] Otherwise, I look forward to seeing your written comments on 20 August 1976.
